HAMLET

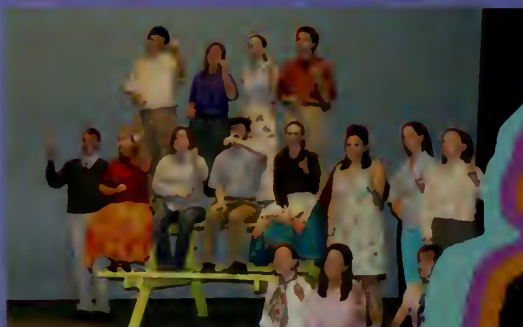

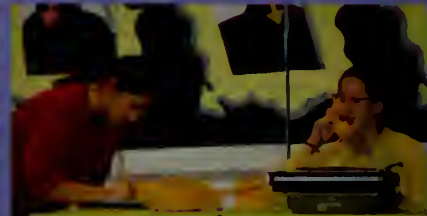

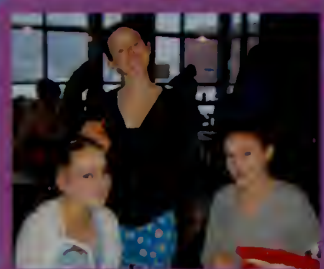

The cast of this year's fall play knew they were in for a challenge when they signed up to audition for Shakespeare's most personal work, *Hamlet*. The old high school auditorium wasn't going to serve the play well, so the cast went on the road to the new Islington Community Center. The sanctuary of the old church was the perfect setting for this production of *Hamlet*. The intimate house drew the audience in as they watched Hamlet ponder, and ponder, and ponder again in search of that which would motivate him to avenge the murder of his father. Sparse set, simple costumes and minimal lighting supported the production, but it was the language and the acting that carried the night. The tragic story was played with an honesty that moved audiences. The three night run in December ended far too quickly for those who worked on the production.

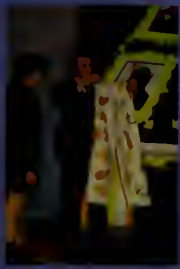

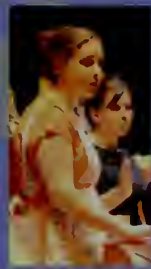

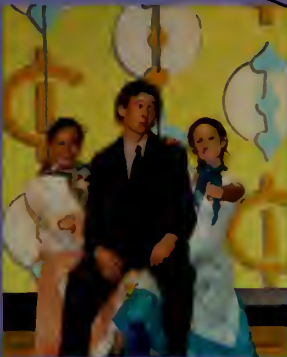

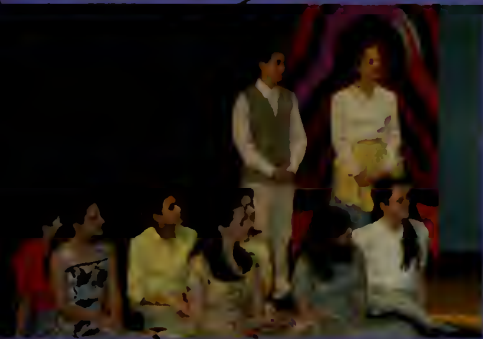

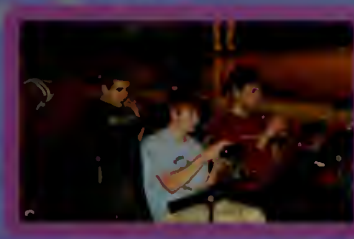

In a winter that we all thought would never end, the cast, crew and orchestra of *The Pajama Game* finally opened at the new theater at Westwood High School with an explosion of color, fun, and energy. While audiences came in bubbling with excitement over the new space, they left with even more excitement about the show. Audiences were thrilled as the company danced, sang, and played the first notes ever to be heard in the new theater. With brilliant sets, beautiful costumes, amazing lighting, fun songs, and a storyline almost too silly even for the American Musical, *The Pajama Game* delivered what we all needed: a night of good fun in our new school. Over 100 students worked on the show that started rehearsing in the old auditorium, but finished with spectacular performances in the new theater. What a treat for outgoing seniors who, despite not getting as much time as they might have wanted in the new school, will always have the memory of premiering our new space.

Monteverde

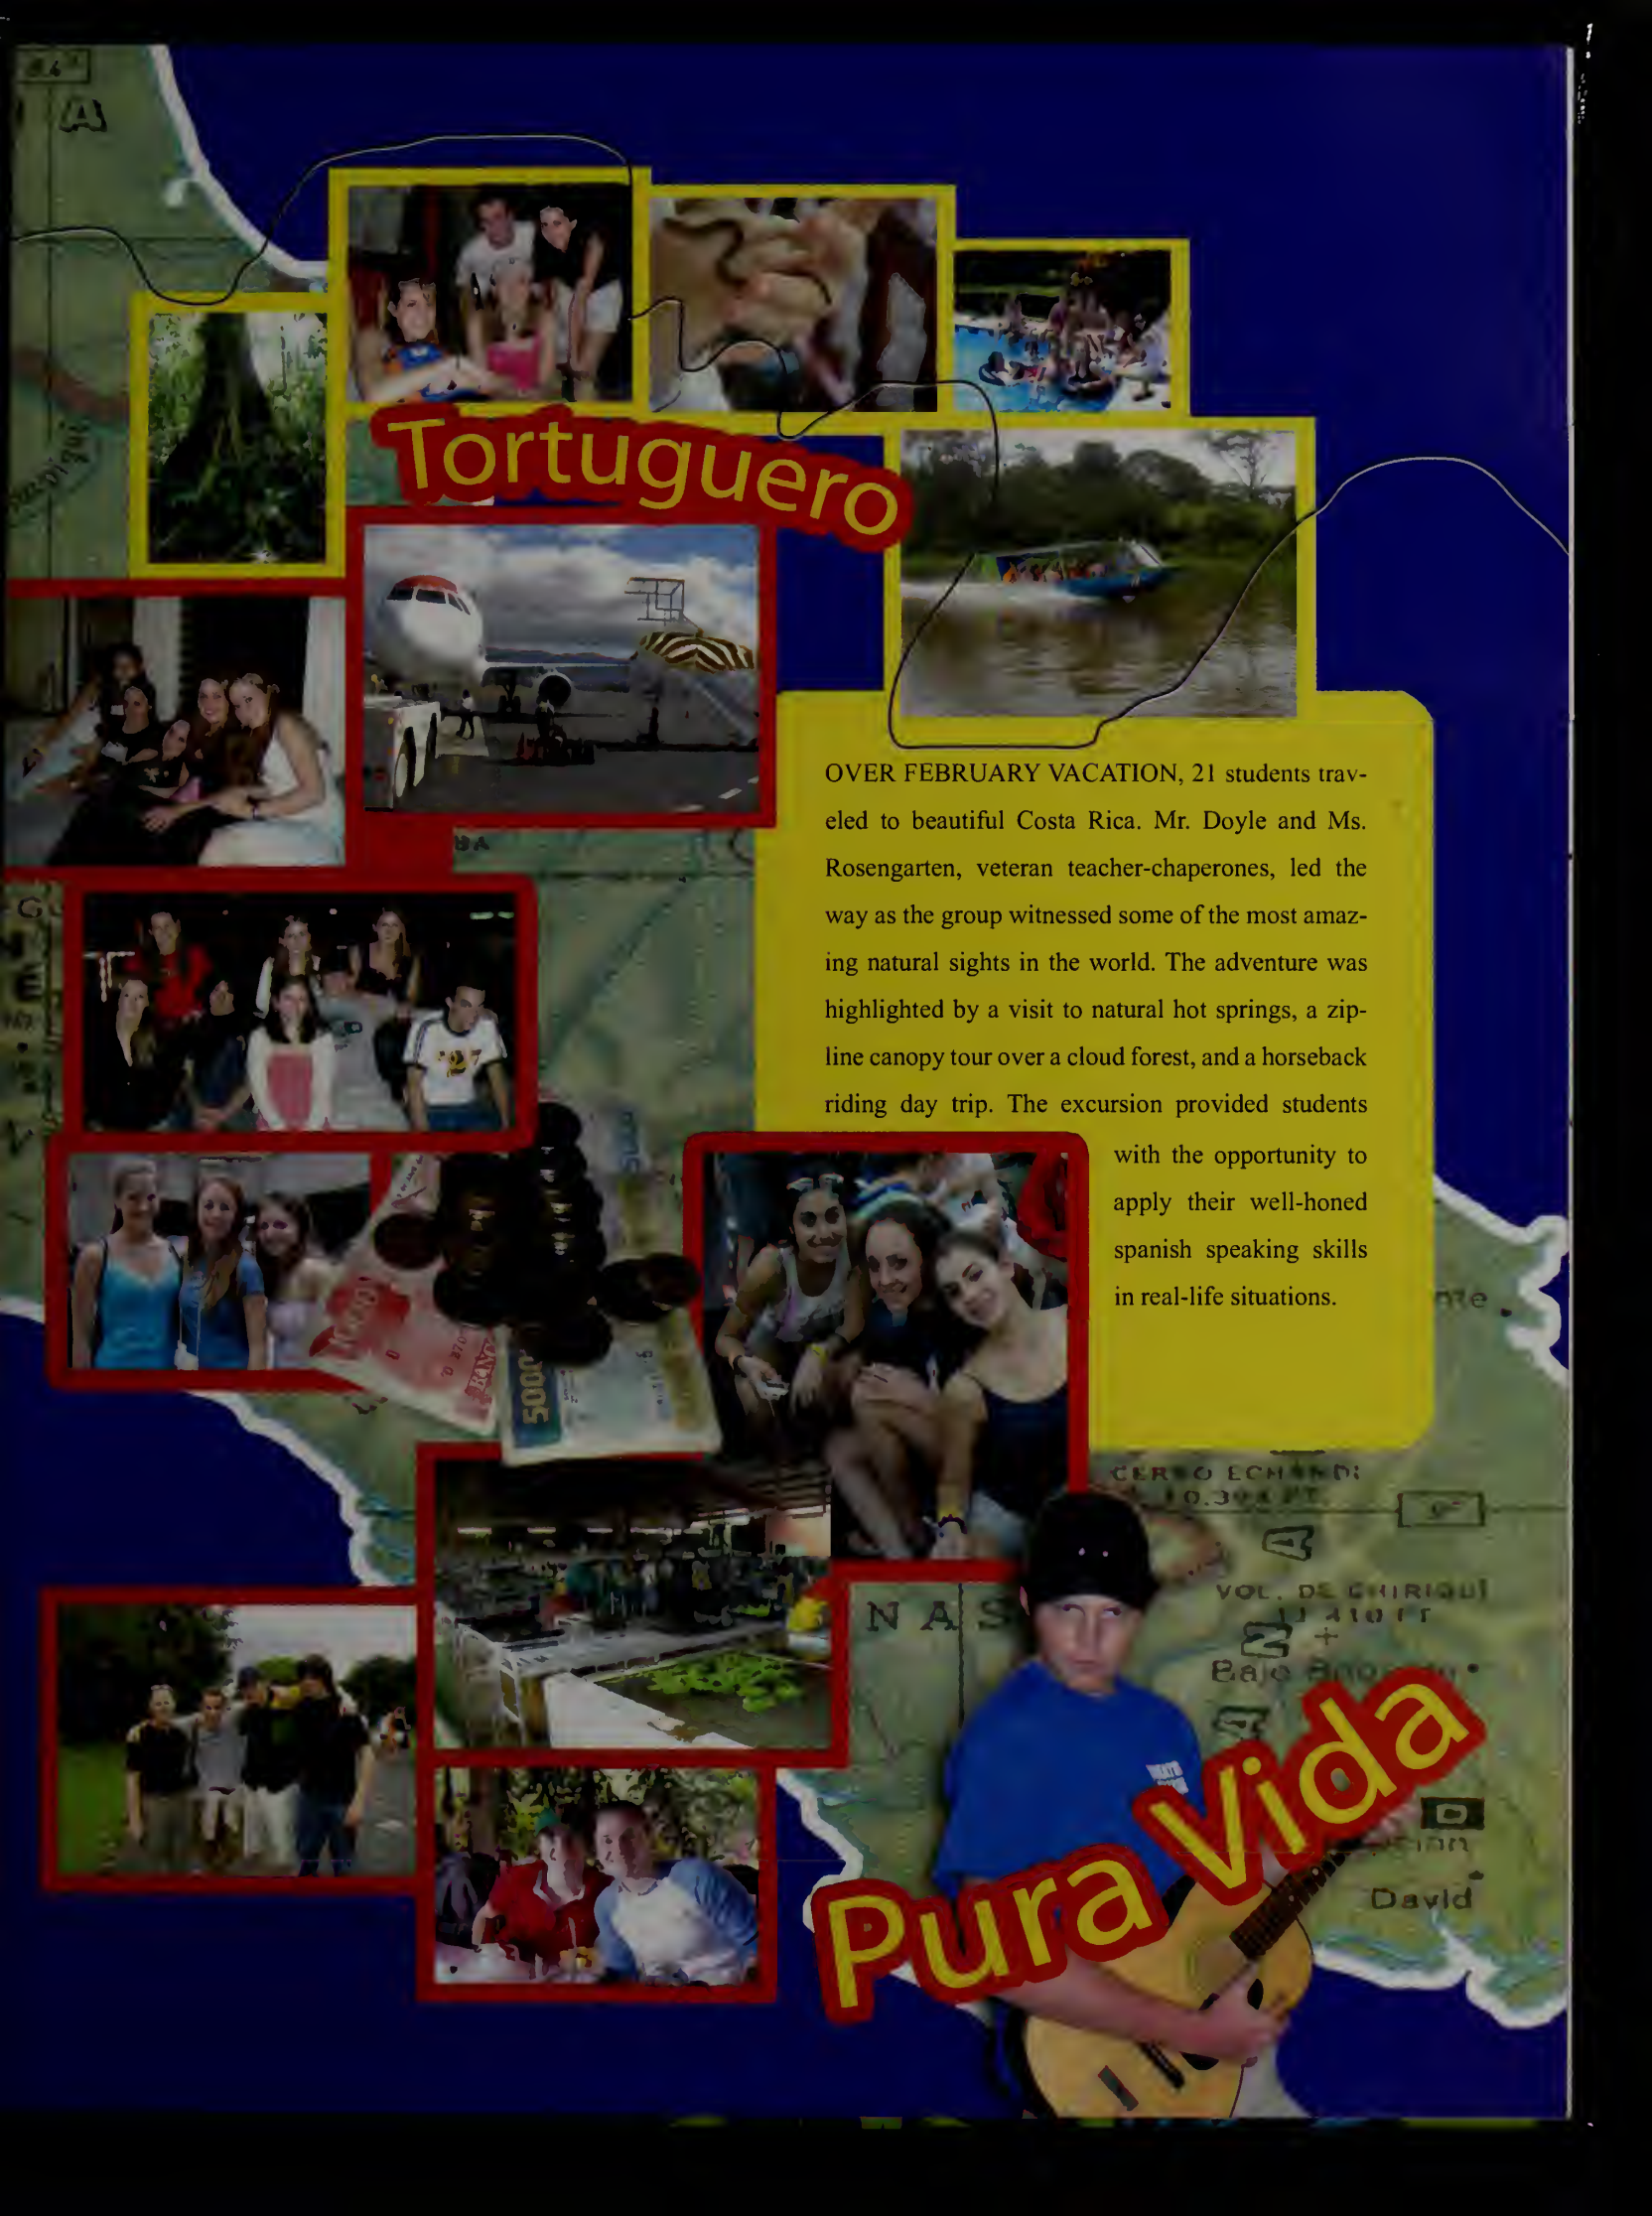

Tortuguero

OVER FEBRUARY VACATION, 21 students traveled to beautiful Costa Rica. Mr. Doyle and Ms. Rosengarten, veteran teacher-chaperones, led the way as the group witnessed some of the most amazing natural sights in the world. The adventure was highlighted by a visit to natural hot springs, a zip-line canopy tour over a cloud forest, and a horseback riding day trip. The excursion provided students

with the opportunity to apply their well-honed spanish speaking skills in real-life situations.

LEGISLATIVE COUNCIL

THE LEGISLATIVE Council plays an essential role in the WHS community. Council positions are elected, but the meetings are open to non-voting students and faculty members. As the legislative body, the L.C. reviews and debates proposals, relating to important issues at WHS. Legislation becomes part of the WHS Student Handbook.

JUDICIAL COUNCIL

THE JUDICIAL Council considers any student's appeal to a disciplinary decision. The Council is comprised of faculty and student members who listen to the student's case and then make a ruling. A two-thirds majority of the Council is necessary to overturn an administrative decision.

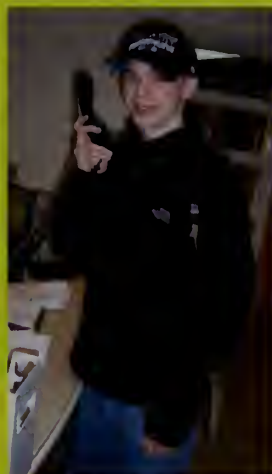

STUDENT COUNCIL is an organization of elected members who strengthen school spirit and build a sense of community. This fall Student Council organized Homecoming Week and in April, Student Council delivered Spring Fling, a week packed with fun activities which revved-up everybody's Westwood spirit. Spring Fling culminated with a great dance in Cafe West.

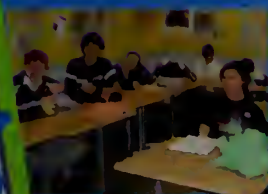

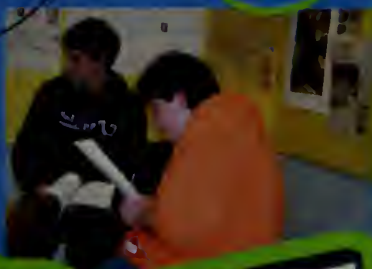

STUDENT COUNCIL

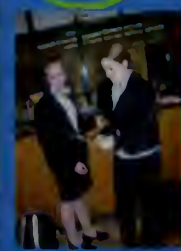

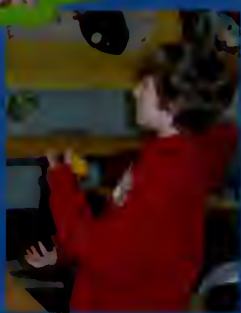

Announcements

"GOOD MORNING,
Westwood High School!"
The morning and afternoon
announcements crew keep us
informed and current about all
the day to day happenings of
the high school community.

MOCK TRIALS
provides students with
an opportunity to argue
a fictitious legal case.
Each school receives a
case file in the fall and
prepares for "trial".
Westwood's team per-
formance continues to
improve each year that
the team competes.

NO PARENTHESIS is WHS's annual literary magazine. Each year, students in all grades are invited to submit poetry and short stories. A student committee reviews submissions and makes selections for the magazine.

THE WESTWOOD WIRE is the newspaper of WHS. The Wire serves as the voice of the community by publishing articles on a wide range of subjects, including news (from the school community to the broader world), sports updates, music and movie reviews, editorials, and student profiles. Any student with an interest in journalism may contribute.

We The People

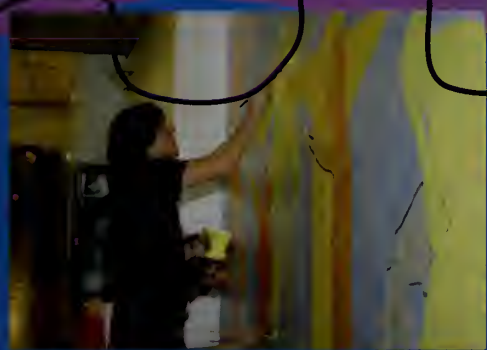

WE THE PEOPLE is a newspaper specifically devoted to WHS school governance. It was created to keep students and faculty informed about the important activities of the school's governance system as well provide a forum for examining local, national and world issues. Under the direction of Mr. Brendan Dillon, its goal is to promote democratic discussion within Westwood High School.

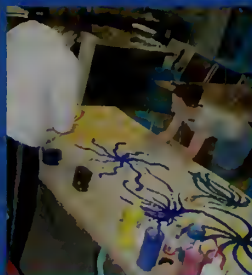

AMNESTY INTERNATIONAL is a world-wide organization dedicated to bring relief to individual victims of injustice wherever they may be. Within Amnesty there are no boundaries of politics, nationality or culture. Amnesty has grown into a presence in over 160 countries. Amnesty meets under the direction of Ms. Plunkett and is open to all students.

NAHS

NATIONAL ART HONOR SOCIETY recognizes students' achievements in the arts, to promote art appreciation, and to improve the school's aesthetic. NAHS had an active presence in the school this year. The mural in the old school brightened the halls during our last dark days before the move. NAHS also decorated for all the HURRAR ceremonies, each time using more innovative materials and creative ideas.

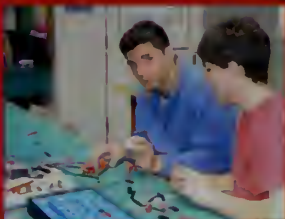

SPECTRUM was created at WHS to recognize differences among students and to increase tolerance and diversity, specifically around issues regarding people's sexual identities. Although the group serves as the school's gay-straight alliance, its focus is not solely on differences of sexual identity. During the 2003-2004 school year, Spectrum distributed ribbons to promote AIDS awareness, held a coat-drive, and ultimately made two donations to Boston Children's Pediatric AIDS Foundation.

Math TEAM

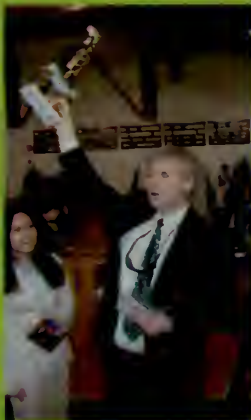

THE MATH TEAM competes monthly in an afternoon league with other nearby schools. In addition, several opportunities exist for team members to compete in competitions for prize and scholarship money. Students may compete both individually and in teams.

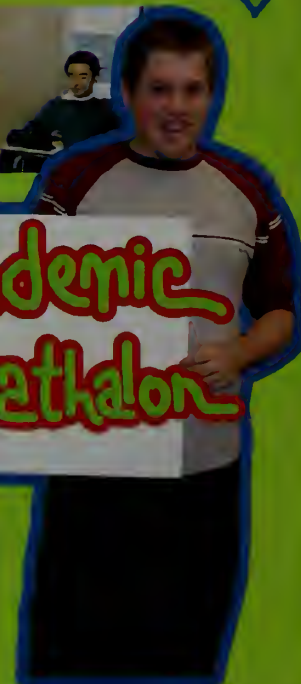

THE SCIENCE Team provides opportunities to participate in competitions and interact with students from other schools. Students demonstrate and build on their science knowledge through such challenges as building robots.

ACADEMIC DECATHALON is an interscholastic academic competition. Students discuss a range of topics including literature, mathematics, science, social studies, art and music in preparation for a league competition that qualifies for state and national competition. Students compete for individual medals in specific categories or for team medals in the 'superquiz' category.

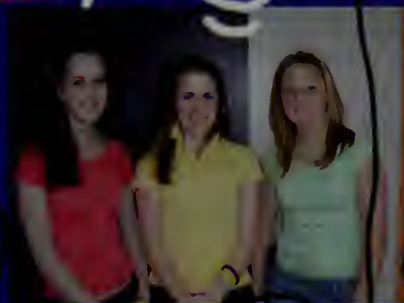

Academic Decathlon

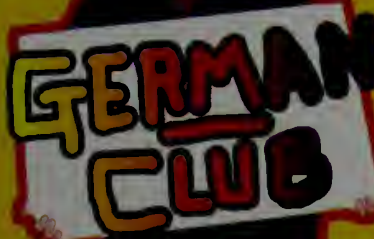

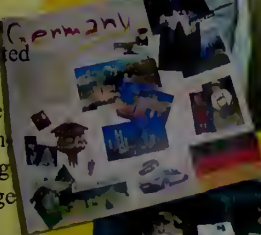

LANGUAGE CLUBS at WHS allow students the opportunity to celebrate and explore other languages and cultures with fellow language aficionados. The Spanish Club gathered regularly to watch Spanish films, try Spanish foods and, of course, converse in Spanish.

THE FRENCH CLUB, under the direction of Madame Roberts, celebrates French culture by enjoying French food, music, cinema and bubbly, sparkling French conversation.

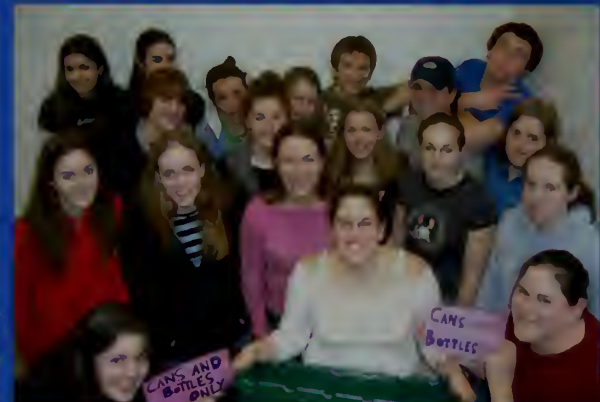

IN ITS SECOND YEAR as a Westwood organization, the German Club hosted a group of visiting German high school students. The German students stayed in Westwood homes and visited the school, observing our classes and relaxing in the caf. The German Club continued to have fun learning about the German language and culture.

ECOLIBRIUM is a club that studies and discusses environmental issues and promotes environmental activism. This year Eco continued the aggressive recycling program which it began in 2002, despite obstacles created by the move to the new school. By encouraging members of the community to recycle, and taking on the task of weekly collection, Eco has helped make the Westwood community more environmentally responsible.

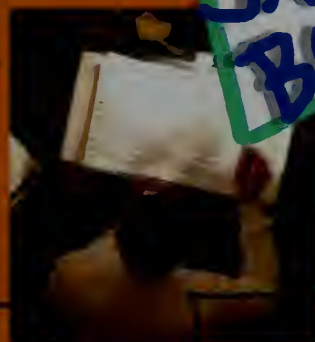

BEST BUDDIES is a non-profit organization designed to support and enhance the lives of those with intellectual disabilities by providing them opportunities to form one to one friendships. Each member meets with his/her buddy once a week to share some quality time. Members of Best Buddies come into the classroom during their free blocks to hang out with their buddies. In addition the group also goes on trips outside the classroom.

AT WHS the Jazz Band, under the direction of Mr. Guirleo, provides the rhythm and groove that gets the audience's toes tapping. Jazz Band members show dedication by rehearsing evenings. From formal concerts to providing the evening's entertainment at dinner gatherings and celebrations, the Jazz Band is always ready to swing.

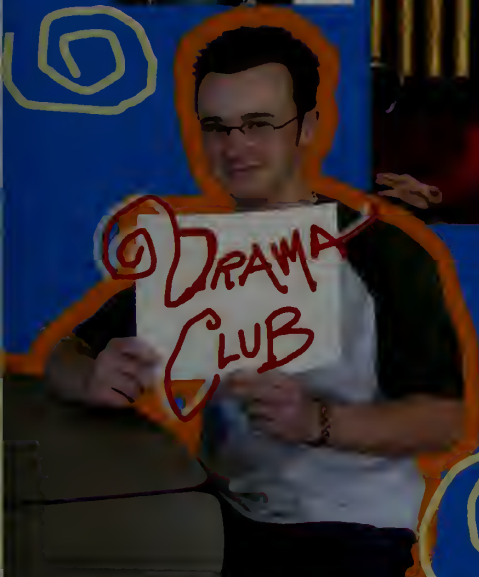

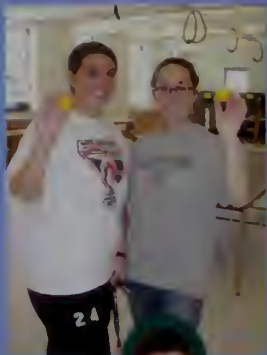

JAZZ BAND

THE DRAMA CLUB provides members the opportunity to explore their theatrical talents while contributing to the creative life of WHS. Annual events include an After Dinner Theater performance in the fall and a puppet presentation for elementary school children in the winter.

DRAMA CLUB

THE PING PONG club is open to any student looking to play other students in non-competitive ping pong games. Ping pong club meets under the direction of Mr. Sherr. Students have a lot of laughs while hanging out with friends after school and participating in games.

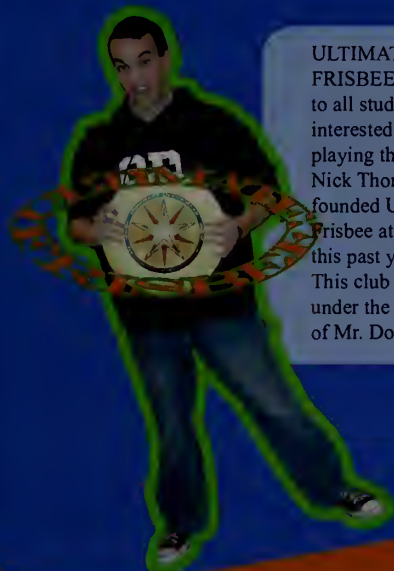

THE CHESS CLUB is open to all students interested in learning how to play the great game of chess. It meets under the direction of Mr. Brendan Dillon. As well as having a chess club, WHS also has a very successful chess team. The team is comprised of five to seven playing members who compete in the South Shore Interscholastic Chess League.

THE KEY CLUB is a service organization where members are strongly encouraged to volunteer regularly at a site of their choice. Students have volunteered at Children's Hospital, nursing homes, and the Boston Food Bank. Many members participated in the Walk for Hunger, conducted a schoolwide canned food collection, and participated in Stockings for Joy for the Riverside Community Care Center.

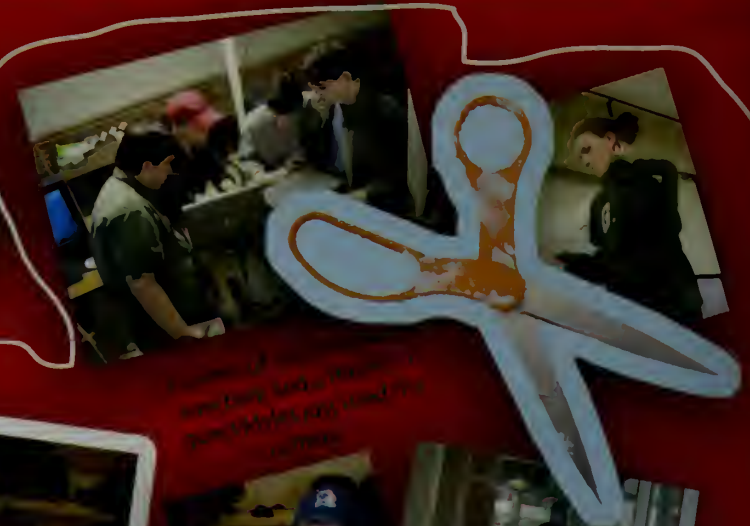

ULTIMATE FRISBEE is open to all students interested in playing the game. Nick Thompson founded Ultimate Frisbee at WHS this past year. This club meets under the direction of Mr. Doyle.

PEER COUNSELING is an opportunity for juniors and seniors at WHS to become actively involved in the school community. Peer counselors are considered role models within the school community and volunteer their time and energy towards helping and educating others.

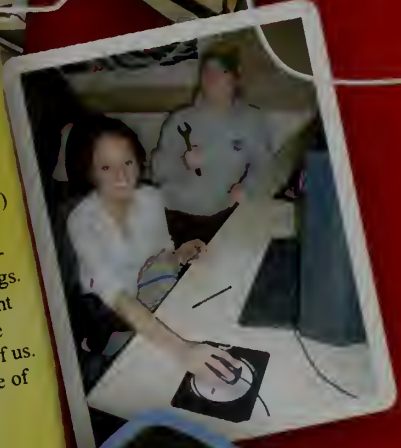

YEARBOOK

Roughing It
8 1/2 x 11
HERFF JONES

The 2005 yearbook is a labor of love led by a small group of dedicated individuals. Alex Sharry drove the enormous design process, Nick Thompson generated great creative content, Sara Harrington steered the sports section; Steve ("Stevie Wonder CroMackDaddy") Cromack tackled the never-ending clubs section, then emerged as our financial phenom, and Roanna Ruiz inspired us all with her amazing continuous line drawings. Every page represents a tremendous amount of student work. We are grateful to Mr. Mao who is everywhere with his camera, capturing what is important to all of us. The Yearbook Staff hopes you will savor every page of our two-volume baby.
